

Families First 135 Years of Impact

Our Mission
Strengthening Family Resiliency

In FY24-25, we served **16,858 clients.**

Lucy C. Vance Center

The Vance Center is designed to improve the coping and functioning skills of low-income children, adults, and families by providing counseling services. The counseling program helps children, youth, and adults:

- ◆ Heal from emotional pain and trauma
- ◆ Stabilize mental health symptoms
- ◆ Develop coping skills to deal with life stressors
- ◆ Strengthen family & social relationships
- ◆ Services: Counseling Psychiatry & Nursing (Ages 0-21) Case Management Skill Building Peer Support

Navigator Services

Families First's Navigator Services offer intensive, wrap-around support to help families address complex challenges, connect to essential resources, and build lasting stability.

- ◆ Personalized case management before crises arise
- ◆ Connection to resources including housing, employment, and health
- ◆ Two-generation approach supporting parents and children
- ◆ Programs: TeenAge Pregnant & Parenting Program (TAPP) and Chispa Early Learning

Parenting & Adoption Support

Continuing our 135-year legacy of caring for vulnerable children and families, Families First provides a variety of parenting and adoption support services.

- ◆ Facilitates effective parenting by offering supervised visitation, mediation, and education classes
- ◆ Provides training to foster, kinship, and adoptive parents to support children who've experienced trauma
- ◆ Strengthens post-placement adoptive, guardianship, and kinship families through resources and education
- ◆ Programs: Parenting Time, Partners in Parenting, NTDC Hub, Georgia Center for Resources & Support
