LIVE AND SILENT AUCTION ITEMS NEEDED

WHO IS FAMILIES FIRST?

Since 1890, Families First has helped Georgia families find stability, healing, and hope.

Today, **we serve nearly 17,000 individuals** each year through three core areas:

- **Behavioral Health** — counseling, therapy, and psychiatric care
- **Navigator Care** — intensive case management connecting families to essential resources
- **Parenting & Adoption Support** — education and support that equip adults to parent in the best interest of their child(ren) and family.

LOVING THE LEGACY

Loving the Legacy is Families First's cornerstone annual benefit — an evening celebrating over 135 years of mission and impact.

Your donated item, experience, or package gives our guests something extraordinary while **advancing Families First's mission to strengthen family resiliency.**
