

Loving *the* Legacy

Strengthening Families • Building Resilience • Changing Lives

Thursday, March 18, 2027 | Georgia Aquarium

Join us for an unforgettable evening where legacy meets possibility. *Loving the Legacy 2027* brings together leaders, supporters, and friends of Families First for an elegant celebration of the families whose resilience inspires our work. As our partner, you'll help us honor 136 years of service to families while investing in greater possibilities for generations to come.

Our goal is to raise \$350,000 to strengthen families, build resilience, and change lives. Sponsorships fuel vital programs across our three impact areas while advancing critical investments in behavioral health, parenting services, and intensive navigator services.
